An act to amend Section 21350 of the Probate Code, relating to wills and trusts.

LEGISLATIVE COUNSEL'S DIGEST

AB 1349, as introduced, Canciamilla. Wills and trusts: prohibited transferees.

Existing law, with specified exceptions, invalidates a donative transfer to certain classes of people, including a person who drafted the instrument, a person is related by blood or marriage to, is a cohabitant with, or is an employee of, the person who drafted the instrument, and a care custodian of a dependent adult.

This bill would invalidate a donative transfer to a person who is related by blood or marriage to, is a cohabitant with, or is an employee of a care custodian of a dependent adult. The bill would also make a clarifying change.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
